**Comment on Planning Application: C/65/639/GPDO Sharp Haw, Stirton**

**Application to determine if prior approval is required under Schedule 2, Part 6, of the Town & Country Planning (General Permitted Development) (England) Order 2015 (as amended) for erection of agricultural building to house livestock, together with feeding area and storage**

Dear Ms Thompson

Friends of the Dales appreciate the farmer's requirements to be able to manage his business effectively, but the building as proposed would be in a very prominent location on an open hillside, within the open access area and adjacent to well used paths. We request that the precise location of the building is considered carefully, to ensure that it nestles into the hillside and its prominence in the landscape is kept to a minimum.

Yours sincerely

K.M. Petyt
