Comment on Planning Application: E/12/53A Wath Lane Barn, Newbiggin On Lune

Full planning permission for change of use and conversion of barn to dwelling; installation of septic tank and creation of associated parking, access and curtilage (revised application)

Dear Ms Clowes

Friends of the Dales do not object to this application for a barn conversion, but we do have concerns about the proposal to clad parts of two elevations in “dark grey timber composite”. Unless there is evidence to show that this material will age and weather well, we ask that a more traditional form of cladding is used.

Yours sincerely

K.M. Petyt
