

Wendy Thompson [via email]

Planning, YDNPA

18 June 2019

Objection to planning applications: S/05/24 and S/05/24A

Full planning permission for conversion and extension of existing barn to form 1 no. two-bedroom dwelling and erection of 1 no. four-bedroom dwelling with associated residential curtilage, parking and access and installation of package treatment plant

Full planning permission for conversion and extension of existing barn to form 1 No. eco passivhaus low carbon dwelling

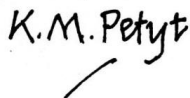

Dear Ms Thompson

Friends of the Dales objects to these applications, which would suburbanise an area near the A683 which is prominent in views from several positions.

Though this may technically be described as a brownfield site, the existing barns are far less intrusive in the open countryside than two dwellings with all their associated domestic features of drives, cars, gardens, washing lines etc which would be well outside the edge of development within Casterton.

Moreover the sites are in close to the major attraction of Devil's Bridge, where traffic at times is fast and heavy, and access to and from the A683 could be dangerous.

Yours sincerely

Dr Malcolm Petyt, Chair of Policy Committee

Friends of the Dales is a working name of the Yorkshire Dales Society which was founded in 1981 and is a registered charity and company limited by guarantee. Friends of the Dales is free of political and financial affiliations. We work to ensure that the Government, the Yorkshire Dales National Park Authority, and other relevant agencies deliver their obligations to care for the special qualities of the Yorkshire Dales, an internationally important area. We do this by considering major planning applications and policy development affecting the Yorkshire Dales and adjacent areas. We offer a year round programme of walks and talks so that everyone can enjoy and learn more about this beautiful area and why it needs protection. We have a membership of around 1,300 individuals, families, businesses and organisations.
