Comment on Planning Application: C/13/200A Barn, Oughtershaw - Full planning permission for conversion and extension of barn to form local occupancy dwelling or holiday let accommodation and installation of package treatment plant

Dear Ms Thompson

Friends of the Dales have concerns about this application. We recognise that it is a roadside building, and within policy from that perspective. But it is well outside the hamlet itself; it will generate yet more traffic along a particularly narrow stretch of the road through Langstrothdale, which is not in keeping with sustainability aims; and the proposed fenestration on the side facing away from the road is not in keeping with the historic character of the building.

Yours sincerely

Dr Malcolm Petyt, Chair, Policy and Planning Committee
