Objection to Planning Application: C/44/212A Horton-in-Ribblesdale Station

Full planning permission for refurbishment and adaptation of railway station building to provide holiday accommodation and cafe/bar

Dear Ms Wood

Friends of the Dales maintains its objection to this application for the following reasons:

We welcome the retention of the ticket hatch in the revised plans, one of the most significant features in the building. However, the inclusion of an accessible toilet in the Community Room remains unacceptable, for reasons previously stated - it destroys the integrity of the room and creates a very awkward space, especially as this room should be available for community use.

Our objections to lack of parking, and the omission of the oil lamp hut from consideration, also remain.

Yours sincerely

Wilf Fenten, Chair, Policy and Planning Committee
