**Objection to Planning Application Planning Application E/07/19  
Barn at Hazelgill, Mallerstang  
Full planning permission for conversion of barn to dwelling and installation of package sewage  
treatment plant**

Dear Mr Morrison

Friends of the Dales **objects** to this application for the following reasons:

Contrary to the description in the application, the site is not situated in close proximity to a group of buildings; it is in open countryside, clearly visible from public rights of way, and not appropriate for conversion to a dwelling.

Development here would be clearly visible from the Pennine Bridleway which passes through Hazelgill on the final exhilarating section to climb over the shoulder of Wild Boar Fell. The building and its curtilage cannot be developed without having an adverse effect on the local landscape and its setting. The conversion would cause harm to the landscape and the character of the area.

**For the reasons listed above we object to this application.**

Yours sincerely

Wilf Fenten, Chair, Policy and Planning Committee
