**Objection to Planning Application: C/60/81 High Barn, Rylstone, Skipton**

**Full planning permission for conversion of barn to local occupancy dwelling/holiday accommodation, installation of air source heat pump, package sewage treatment plant and photo voltaic panels**

Dear Ms Wood

Friends of the Dales **objects** to this barn conversion application.

High Barn, Rylstone is an isolated field barn lying in open countryside. It lies beyond 50m. from a metalled road, and its conversion is unlikely to achieve genuine conservation of the structure, nor would it provide affordable accommodation for local people. Permission to convert it should therefore be refused.

Yours sincerely

Signed by Wilf Fenten, Chair, Policy and Planning Committee
