Objection to Planning Application: C/29/58F New Laithe/Tenderbanks Barn, Winterburn

Full planning permission for change of use of barn to form local occupancy dwelling/holiday let and installation of black photovoltaic panels, together with installation of new package sewage treatment plant

Dear Ms Dinsdale

Friends of the Dales **objects to this application to convert a barn in Winterburn to residential use.**

We **do not consider that it falls within current policy**, as it is located well away from a surfaced road or track. It is a large and isolated field barn which has been much altered over time, so it is not obvious what historic interest is to be conserved. Its conversion would not contribute to the conservation of historic interest nor to the local landscape character.

Yours sincerely

Interim Chair, Policy and Planning Committee
On behalf of Friends of the Dales
